PTSO Meeting

October 20, 2015 8am Staff Room

All executive Committee members plus 10 others in attendance. Ms Debbie and Ms Kim are Teacher Representatives.

We shared Joys and Concerns

Treasurer's report-

We have \$12,00 to spend for the rest of the year. \$6,000 is waiting for Grand for Outdoor Classroom to be decided from Lowe's. Plan for Cubbies to expand and create has exceeded the \$1200 estimate so we are looking at a new plan.

Mark Ligi has expressed interest in being a big part of planning and executing the Outdoor Classroom.

Janna, Sarah, and Kate will evaluate budgets for upcoming events

Teacher Report

Teachers Love PTSO.

Teachers request "Spike Cleaners" to clean off shoes before entering classroom.

They would also like the Wish Tree to be recreated in front hall

Fundraising Report

Great Yankee Candle Participation

BIG DECISION! We have decided to make Yearbooks FREE for all kids. Donations can be made specifically to help fund this if wanted.

When we ask for the Dedications we will add a line for a donation for general funds.

Party in a Box reminder in PTSO Newsletter
