Dear Parent,

As you investigate elementary schools for your child, we would like to invite you to visit Tiller School! Tiller School is a NC public charter school and has been operating in Carteret County successfully for over 20 years! We are so excited to be the highest ranked K-5 public charter school in the state and to be the only elementary school in Carteret County to have an “A rating” from the State Board of Education! Our school is a community of families and teachers who work collaboratively to shape the educational experiences for our students. Our students are successful, active learners who benefit from small, student-centered classrooms and academic enrichment.

In preparation for the 2017-2018 school year, we will hold an open enrollment period from January 2, 2017-February 3, 2017. During this time, we encourage you to attend a school information session and to tour our school. Call the school to sign up for your tour. Applications are due by February 3, and a student lottery will be held February 6 at 12:00 to fill empty student seats for the upcoming school year. Once students have been enrolled, our teachers will hold a kindergarten screening so that we can get to know your family and plan for our upcoming school year.

We encourage you to learn more about our school by visiting our webpage at www.tillerschool.org. For a glimpse of student life at Tiller, visit us on Facebook at Tiller School of Carteret County! I look forward to meeting you and your family!
